## *Grandma's Syrup*

*Grandma Livingston's homemade pancake syrup is famous in our family! It's simple to make yet decadent. She rarely measures exactly, so getting recipes from her makes us smile, since she says "maybe 3 cups. I'm not sure since I don't exactly measure." She has made yummy food for so long that it just is second nature to her now!*

1 cube (1/2 cup) butter  
maybe 3 cups brown sugar  
1 bottle (16 oz.) dark brown Karo syrup  
water

Melt the butter in a small/medium sauce pan. Once melted, add the brown sugar. Stir continually until melted and bubbly. Add the Karo syrup. Continue stirring until well combined. Add water to thin syrup to desired consistency.
