

Consequences for Disobedience in Our Home

Dad or Mom can choose from any of the following as they seem appropriate, either temporarily or permanently, to the disobedience:

1. Assigning you jobs.
2. Removing your cell phone.
3. Grounding you from being with friends.
4. Changing your computer user password.
5. Limiting or denying your media use. This includes any aspect of limitation, including disconnecting the TV, blocking websites, etc.
6. Charging you a fee or having you pay to have something repaired or replaced.
7. Any thing else that seems loving, appropriate and wise.
