

“As we look into the eyes of a child, we see a fellow son or daughter of God who stood with us in the premortal life....”

“ ‘Motherhood is not a hobby, it is a calling. You do not collect children because you find them cuter than stamps. It is not something to do if you can squeeze the time in. It is what God gave you time for.’ ”

“...I testify of the great blessing of children and of the happiness they will bring us in this life and in the eternities....”

(Elder Neal A. Anderson, “Children,” October 2011 General Conference)

“With the help of the Lord, we can repent and change and be more loving and helpful to children—our own and those around us.”

(Elder Dallin H. Oaks, “Protect the Children,” October 2012 General Conference)

“Rejoice in your opportunities to love and care for the souls of children.”

(Sister Patricia P. Pinegar, “Caring for the Souls of Children,” April 1997 General Conference)
