

Our Livingston Legacy

**is to leave the world we live in
better than we found it:**

more full of love, cleaner, happier,
safer, lovelier, more organized,
better educated, healthier, and
more peaceful. We will do this by
keeping our covenants with Christ
individually and as a family and by
helping others to come unto Him.

We will report to God and each
other, strengthen and encourage
one another every day,
and do it all to glorify God.
